

Aco-Coat Varnishing Plate

Leading the way in specialist printing consumables

Features and Benefits of Aco-Coat

The unique structure of the Aco-Coat Varnishing Plate makes it the perfect choice for coating applications.

Aco-Coat encompasses a superior varnish lay-down giving incredibly high gloss levels.

The excellent performance of the plate is attributed to the combined action of both its rubber compound and the impressive finishing capabilities of its top compressible layer.

Aco-Coat is a long lasting plate which gives excellent re-use rates.

'Zerosolvent' Technology

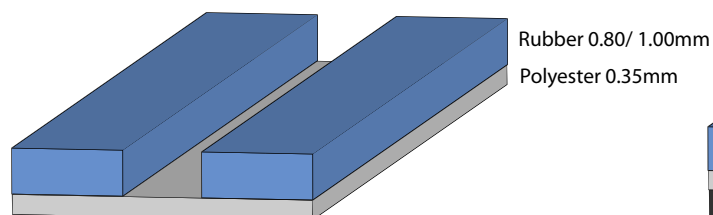

Aco-Coat is produced by Acoma srl, a zero solvent company

Technical Data

	ACO COAT 115	ACO COAT 135	ACO COAT 195
Colour	Blue	Blue	Blue
Bi-directional	Yes	Yes	Yes
Carrier	Polyester	Polyester	Polyester
Construction	2 ply	2 ply	3 ply
Compressible layer	None	None	Yes
Coating compatibility	Aqueous+UV	Aqueous+UV	Aqueous+UV
Microground surface	Yes	Yes	Yes
Stripping depth	0.80mm	1.00mm	1.00mm
"Zerosolvent" technology	Yes	Yes	Yes
